SO WHAT?

This AEP, 3.2M people have to act.

These members get a non-renewal letter, not a new plan. Anyone who doesn't pick one lands in Original Medicare on Jan 1, with no drug coverage unless they add a Part D plan. A special enrollment period runs through February, but the gap is real.

What we're watching: how many end up in Original Medicare in January.

For agents: check your book against the crosswalk before Oct 15. These clients need a call, not a mailer.
